METRONET is committed to achieving the targets outlined in the State Government’s Aboriginal Procurement Policy, launched 1st July 2018.

We are currently sourcing interest from Aboriginal businesses to register their details on the METRONET Capability Register.
If you are a registered Aboriginal business, or more than 50 per cent Aboriginal-owned, then we’re keen for you to register your business on the METRONET website should you have capability in the following areas:

- All Construction based businesses including:
  - Engineering Services
  - Civil Construction and Earthworks
  - Project Management
  - Surveying etc.

- Consulting including:
  - Employment Services
  - Procurement and Business Development
  - Cultural awareness training etc.
  - Other services including: Catering, administration, portable accommodation and office supplies etc.

The Capability Register will be provided to industry at key points during each projects procurement process.
